

*In the Specification*

Please insert the following paragraph on page 5, after the last paragraph, taking into account the amendment made in the previous response. No new matter is added by this amendment. The additions to the specification are underlined.

*cancel*  
FIGURE 5 depicts an example of two different haptic outputs 510, 520, where the haptic output 510 has a shorter duration and a greater magnitude than the haptic output 520.

***In the Drawings***

Please add new Figure 5 submitted herewith. No new matter has been added by this amendment.

A handwritten signature or set of initials, possibly 'B' or 'P', located in the bottom right corner of the page.
